Management Discussion and Analysis

November 27, 2013

To the Honorable Mayor and City Council To the Citizens of the City of Norton

On behalf of the City Administration for the City of Norton, we offer the readers of the City's financial statements this narrative overview and analysis of the City for the fiscal year ended June 30, 2013.

Financial Highlights

- The assets of the City exceeded its liabilities at the end of the fiscal year by \$ 15,680,760 (net position).
- At June 30, 2013, the City reported combined ending fund balances of \$ 1,889,864, a decrease of \$ 511,757 in comparison with the
 prior year. This decrease is the result of a budgeted drawdown of prior year reserves for school operations, the use of prior years
 reserves for emergency capital needs, and a decline in revenue (other local taxes) for FY2013.
- As of June 30, 2013, the General Fund had a total Fund Balance of \$ 1,681,581.
- The total debt outstanding as of June 30, 2013 was \$ 22,898,256, which includes the component units. As of June 30, 2013, the City's Legal Debt Margin was \$ 6,526,807.
- The Water/Sewer Proprietary Fund had an increase in Net Position for the year of \$ 2,640,319. The completion of a number of
 major sewer improvement projects and the improvements to the Upper Norton Reservoir during FY2013 that are being funded with
 grant proceeds and bond issuances, is the reason behind the continued increase to the Net Position (formally called Net Assets) of
 the Fund.

Overview of Financial Statements

This discussion and analysis is intended to serve as an introduction to the City's basic financial statements. The City's financial statements are comprised of three components:

- Government wide financial statements
- Fund financial statements
- · Notes to the financial statements

This report also includes other supplementary information in addition to the basic financial statements.

Government-wide financial statements – The Government-wide financial statements are designed to provide readers with a broad overview of the City's finances in a manner similar to a private sector business.

The statement of net position presents information on all of the City's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases to net position may serve as a useful indicator as to whether the City's financial position is improving or deteriorating.

The statement of activities presents information showing how the City's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows. Thus, revenues and expenses are reported for some items that will only result in cash flows in future periods, such as uncollected taxes.

The Government-wide financial statements include not only the City of Norton (primary government), but also its component units: the Norton City Schools and the Norton Industrial Development Authority (NIDA).

<u>Fund financial statements</u> – A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. All of the funds of the City of Norton can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Notes to the financial statements – The notes provide additional information that is essential to a full understanding of the data provided in the financial statements.

Government-Wide Financial Analysis - Primary Government

Summary of Statement of Net Position – June 30, 2013

| Current & other assets Capital assets Other noncurrent assets Total Assets | Governmental <u>Activities</u> \$ 4,289,863 5,701,328 <u>- 0 -</u> \$ 9,991,191 | Business Type <u>Activities</u> \$ 1,889,833 17,461,742 <u>- 0 -</u> \$ 19,351,575 | Total \$ 6,179,696 23,163,070 -0- \$ 29,342,766 |
|---|--|--|---|
| Current & other liabilities Long-term liabilities Total Liabilities | \$ 1,656,774 1,825,920 \$ 3,482,694 | \$ 1,348,379 | \$ 3,005,153 9,775,981 \$ 12,781,134 |
| Deferred Inflows Deferred Outflows Total Deferred | \$ 830,304 -0- \$ 830,304 | \$ 50,568 - 0 - \$ 50,568 | \$ 880,872 -0- \$ 880,872 |
| Net Position: Invested in Capital assets Restricted Unrestricted Total Net Position | \$ 4,136,516 -0- | \$ 9,362,217 988,404 (348,054) \$ 10,002,567 | \$ 13,498,733 988,404 1,193,623 \$ 15,680,760 |

Net position serves as a useful indicator of a government's financial position. The City's combined net position total is \$15,680,760 excluding discretely presented component units. By far, the largest portion of this represents investments in capital assets, such as land, buildings, machinery, and equipment. Capital assets net of related debt total \$13,498,733. The City of Norton uses these capital assets to provide services to citizens; and thus these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate liabilities.

<u>Governmental Activities</u> – Governmental activities increased the City's net position by \$ 2,140. Key elements of this decrease are as follows:

| | Governmental Activities |
|-------------------------------------|--------------------------|
| D | Year Ended June 30, 2013 |
| Revenues: | |
| Program Revenues: | |
| Charges for Services | \$ 380,712 |
| Operating Grants and Contributions | 2,415,196 |
| Capital Grants and Contributions | 150,000 |
| General Revenues: | |
| Property Taxes | 2,736,838 |
| Other Local Taxes | 4,818,063 |
| Other | 177,558 |
| Total Revenues | <u>\$10,678,367</u> |
| Expenses: | |
| General Government | 1,542,855 |
| Public Safety | 2,423,860 |
| Public Works | 2,486,780 |
| Health and Welfare | 1,321,129 |
| Education | 1,692,638 |
| Parks, Recreation, Culture | 477,229 |
| Community Development | 562,432 |
| Interest of Long Term Debt | 169,304 |
| Total Expenses | \$ 10,676,227 |
| Increase (Decrease) in Net Position | \$ 2,140 |

Included in the Total Expenses are non-cash items including depreciation. This means that under the full accrual method, net position increased by \$2,140.

Fund Financial Statements

Governmental Funds – The focus of the City's governmental funds is to provide information on near term inflows, outflows, and balances of spendable resources. This information is useful in assessing the City's financing requirements. In particular, unreserved fund balance may serve as a useful measure of the City's net resources available for spending at the end of the fiscal year. The City's governmental funds include the General Fund and the Special Revenue Funds.

Governmental Fund Highlights:

The largest sources of revenue in the General Fund for the year are as follows:

| | <u>2013</u> | <u>2012</u> | <u> 2011</u> | <u>2010</u> | 2009 |
|------------------------------|--------------|-------------|--------------|-------------|--------------|
| Local Sales and Use Tax | \$ 1,762,729 | 1,918,925 | 1,882,301 | \$1,887,804 | \$ 2,023,409 |
| Real Property Tax | \$ 1,698,699 | 1,723,587 | 1,605,349 | 2,273,409 | 1,601,572 |
| Restaurant Food Taxes | \$ 1,262,519 | 1,334,156 | 1,126,150 | 1,061,575 | 1,025,155 |
| Business License Taxes | \$ 853,599 | 951,248 | 773,353 | 795,833 | 901,209 |
| Street & Highway Maintenance | \$ 765,118 | 750,796 | 723,930 | 698,460 | 703,053 |
| Personal Property Taxes | \$ 471,214 | 461,230 | 443,631 | 429,833 | 439,822 |

The City's assessed value of real estate for the year was \$ 245,426,183. The real estate tax rate is \$.80 per \$ 100 of assessed value. For the year, the percent of levy collected was 96.68%. This includes collections of prior year's delinquencies in addition to current year assessments, but is calculated as a percentage of the current year tax base.

The City's business type activity is the Water/Sewer Proprietary Fund. During the year this fund had an increase in net position of \$ 2,640,319. This is due to the large amount of capital projects being performed in the Water/Sewer System. In addition, cash and cash equivalents increased by \$ 840,490 to \$ 988,704. This increase represents a restricted holding that will be used to refinance a bond once the bond becomes callable (payable) during FY2014.

The City's General Fund Final Budget to Actual comparison for the year was as follows:

| | Final Budget | <u>Actual</u> | <u>Variance</u> Favorable (Unfavorable.) |
|----------------------------------|-----------------------------|-----------------------------|--|
| Total Revenues Total Expenses | \$ 10,968,758 11,679,722 | \$ 25,979,395 26,491,152 | \$ 15,010,637 \$ (14,811,430) |
| Excess of Revenues Over Expenses | | \$ (511,757) | |

Note: The large variance between Budget and Actual are comprised of Bond proceeds and Bond Expenses for refinancing of the Norton City Schools Debt for which no Budget amendment was obtained.

Additional information may be obtained by contacting the City Manager, Mr. Fred L. Ramey, Jr. or the Director of Finance, Mr. Jeff Shupe at the City of Norton offices 276-679-1160.

INDEPENDENT AUDITOR'S REPORT

The Honorable Members of the City Council City of Norton Norton, Virginia 24273

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Norton, Virginia, as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the Table of Contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the Specifications for Audits of Counties, Cities and Towns issued by the Auditor of Public Accounts of the Commonwealth of Virginia. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Norton, Virginia as of June 30, 2013, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As described in Note 21 to the financial statements, in fiscal year 2013, the City adopted new accounting guidance, GASB Statement No. 63, Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position and GASB Statement No. 65, Items Previously Reports as Assets and Liabilities. Our opinion is not modified with respect to this matter.

The Honorable Members of the City Council City of Norton Norton, Virginia 24273 Page 2 (Independent Auditor's Report)

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 5 through 7 and 57 through 62 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquires, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The statistical section and compliance section information are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations,* and is also not a required part of the basic financial statements.

The schedule of expenditures of federal awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United State of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The statistical section and compliance sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 27, 2013 on our consideration of the City of Norton's internal control over financial reporting and on our test of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing on internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the City's internal control over financial reporting and compliance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Members of the City Council City of Norton Norton, Virginia 24273

We have audited, in accordance with the auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *Specifications for Audits of Counties, Cities, and Towns*, issued by the Auditor of Public Accounts of the Commonwealth of Virginia, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Norton, Virginia, as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the City of Norton, Virginia's basic financial statements, and have issued our report thereon dated November 27, 2013.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements for the year ended June 30, 2013, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the City's financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in the internal control that might be material deficiencies or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our test disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Honorable Members of the City Council
City of Norton
Norton, Virginia 24273
Page 2
(Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards)

We noted certain matters that we reported to management of the City of Norton, Virginia in a separate letter dated November 27, 2013.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide and opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

The Honorable Members of the City Council City of Norton Norton, Virginia 24273

Report on Compliance for Each Major Federal Program

We have audited the City of Norton, Virginia's compliance with the types of compliance requirements described in the *U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs for the year ended June 30, 2013. The City's major federal programs are identified in the summary of Federal Awards section of the accompanying supplemental schedules.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its major federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on the compliance for each of the City's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on the City of Norton, Virginia's compliance.

Opinion on Each Major Federal Program

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2013.

Report on Internal Control Over Compliance

Management of the City of Norton is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of Norton, Virginia's internal control over compliance.

The Honorable Members of the City Council
City of Norton
Norton, Virginia 24273
Page 2
(Independent Auditor's report on Compliance for
Each Major Program and on Internal Control Over Compliance
Require by OMB Circular A-133)

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB A-133. Accordingly, this report is not suitable for any other purpose.

REPORT ON COMPLIANCE WITH COMMONWEALTH OF VIRGINIA LAWS, REGULATIONS, CONTRACTS AND GRANTS

The Honorable Members of the City Council City of Norton Norton, Virginia 24273

We have audited the general purpose financial statements of the City of Norton, Virginia (the "City") as of and for the year ended June 30, 2013, and have issued our report thereon dated November 27, 2013.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and *Specifications for Audits of Counties, Cities and Towns*, issued by the Auditor of Public Accounts of the Commonwealth of Virginia. Those standards and specifications require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

Compliance with Commonwealth of Virginia laws, regulations, contracts and grants applicable to the City is the responsibility of management of the City. As part of obtaining reasonable assurance about whether the general purpose financial statements are free of material misstatement, we performed tests of the City's compliance with certain provisions of the Commonwealth of Virginia's laws, regulations, contracts and grants. However, our objective was not to provide an opinion on overall compliance with such provisions. Accordingly, we do not express such an opinion. Following is a summary of the Commonwealth of Virginia's laws, regulations, contracts and grants (as specified in Specifications for Audits of Counties, Cities and Towns, Chapter Three) for which we performed tests of compliance.

Code of Virginia

- * Budget and Appropriation Laws
- * Cash and Investment Laws
- * Conflicts of Interest
- * Local Retirement Systems
- * Personal Property Tax Relief Act

- * Debt Provisions
- * Procurement Laws
- * Uniform Disposition of Unclaimed Property Act

State Agency Requirements

- * Education
- * Highway Maintenance Funds
- * Social Services

The City did not comply in totality with the provisions of the Conflicts of Interests Act per Title 2.2 of the Code of Virginia. Specifically not all local officials had filed the required annual statement of economic interest with the clerk timely; however, all required filings had been received by the release of the audit report.

The City did not comply with certain Social Services requirements. The local agency did not complete the required Acceptable Use Awareness Acknowledgement Forms under the compliance requirements of the Information Security Policy provisions by the November 30, 2012 deadline.

The Honorable Members of the City Council City of Norton Norton, Virginia 24273 (Report on Compliance with Commonwealth of Virginia Laws, Regulations, Contracts and Grants) Page 2

The results of our tests disclosed no instances of non-compliance with the provisions referred to in the preceding paragraph, other than the exception noted above. With respect to items not tested, nothing came to our attention that caused us to believe that the City had not complied, in all material respects, with those provisions.

This report is intended solely for the information and use of the City Council, management, the Auditor of Public Accounts and applicable state agencies, and is not intended to be, and should not be used by anyone other than these specified parties.

THROWER, BLANTON & ASSOCIATES, P.C.

CITY OF NORTON RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES

AND CHANGES IN FUND BALANCES GOVERNMENTAL FUNDS Year Ended June 30, 2013

| Net Change in Fund Balance Governmental Fund: Amounts reported for governmental activities in the statement of activities are different because: | \$ (511,757) |
|--|--------------|
| Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which depreciation exceeded capital outlay in the | |
| current period. | (7,433,419) |
| Revenues in the statement of activities that do not provide current | |
| financial resources are not reported as revenues in the funds. | (7,402,012) |
| Repayment of bond principal is an expenditure in governmental funds | |
| but the payment reduces long-term liabilities in the statement of net | |
| assets. This is the amount of net principal payments. | 15,284,397 |
| Some expenses reported in the statement of activities, such as | |
| compensated absences and accrued interest, do not require the use | |
| of current financial resources and therefore are not required as | |
| expenditures in governmental funds. | 64,931 |
| Change in Net Position of Governmental Activities | \$ 2,140 |

NOTES TO FINANCIAL STATEMENTS

June 30, 2013

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the City have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant of the government's accounting policies are described below.

A. Reporting Entity

As required by accounting principles generally accepted in the United States of America these financial statements present the City of Norton and its Component Units. The Component Units discussed in Note B are included in the City's reporting entity because of the significance of their operational or financial relationship with the City.

B. <u>Individual Component Unit Disclosures</u>

Discretely Presented Component Unit

Component Units are legally separate organizations for which the elected or appointed officials of the primary government are financially accountable. The primary government is financially accountable if it appoints a voting majority of the organization's governing board and is able to impose its will on that organization.

Based on the foregoing criteria, the financial activities of the Norton Industrial Development Authority and the Norton City School Board are included in these financial statements as discretely presented Component Units. Included in the Norton City School Board Component Unit are the School Operating, School Cafeteria, Textbook, and Health Insurance Premium Funds. The Norton Industrial Development Authority's financial statements may be obtained by contacting the Authority at P.O. Box 303, Norton, Virginia 24273.

The financial activities of the following organization are excluded from the accompanying financial statements for the reasons indicated:

Norton Redevelopment and Housing Authority - The City Council appoints the Board of Commissioners; however, the City does not have responsibility for the fiscal matters of the Authority, including authorizations of budgetary appropriations, funding of operating deficiencies, control over or use of surplus funds, responsibility for debts and control over the collection and disbursement of funds.

C. Financial Reporting Model

GASB issued Statement No. 34, Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments (Statement) which established requirements and a new reporting model for the annual financial reports of state and local governments. The Statement was developed to make annual reports easier to understand and more useful to the people who use governmental financial information to make decisions. Because of the significant changes in financial reporting under the Statement, implementation was phased in (based on the size of the government) beginning with fiscal year ended 2002 (for larger governments). As part of the Statement, there is a new reporting requirement regarding the local government's infrastructure (roads, bridges, traffic signals, etc.) This requirement permits an optional delay for implementation to the fiscal year ending in 2008. The City implemented the basic model in fiscal year 2005 and completed the implementation of the infrastructure-related portion of the Statement by fiscal year 2008.

Government-wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of changes in net position) report information on all of the nonfiduciary activities of the primary government and its component units. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

June 30, 2013

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

The City reports the following major governmental funds:

General Fund

The General Fund accounts for all revenues and expenditures applicable to the general operations of the City which are not accounted for in other funds.

Special Revenue Funds

Special Revenue Funds account for the proceeds of specific revenue sources (other than those derived from special assessments, expendable trusts or dedicated for major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action. Special Revenue Funds consist of the Virginia Public Assistance, CDBG Revolving Loan Fund and Drug and Gambling Funds and Flag Rock Fund.

The City reports the following major proprietary funds:

The water and sewer operation fund provides drinking water, maintains the facilities necessary to provide this service, and provides maintenance to the sewer lines and pump stations. It's primary revenue source is user charges and fees.

<u>Fiduciary Funds</u> account for assets held by a governmental unit in a trustee capacity or as an agent or custodian for individuals, private organizations, other governmental units, or other funds. These funds include Agency Funds.

D. <u>Basis of Accounting</u>

1. <u>Governmental Funds</u>

Governmental Funds utilize the modified accrual basis of accounting under which revenues and related assets are recorded when measurable and available to finance operations during the year. Accordingly, real and personal property taxes are recorded as revenues and receivables when billed, net of allowances for uncollectible amounts, except that property taxes not collected within 45 days after year end are reflected as deferred revenues. Sales and utility taxes, which are collected by the State or utilities and subsequently remitted to the City, are recognized as revenues and receivables upon collection by the State or utility, which is generally in the month preceding receipt by the City. Licenses, permits, fines and rents are recorded as revenues when received. Intergovernmental revenues, consisting primarily of Federal, State and other grants for the purpose of funding specific expenditures, are recognized when earned or at the time of the specific expenditure. Revenues from general purpose grants are recognized in the period to which the grant applies.

June 30, 2013

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Basis of Accounting (Continued)

Expenditures, other than interest on long-term debt, are recorded as the related fund liabilities are incurred. Interest on long-term debt is recognized when due except for interest due on July 1, which is accrued.

2. Proprietary Funds

The accrual basis of accounting is used for the Water and Sewer Enterprise Fund and the discretely presented component unit, Norton Industrial Development Authority. Under the accrual method, revenues are recognized in the accounting period in which they are earned, while expenses are recognized in the accounting period in which the related liability is incurred.

3. Fiduciary Funds

Agency Funds utilize the modified accrual basis of accounting.

E. Budgets and Budgetary Accounting

The following procedures are used by the City in establishing the budgetary data reflected in the financial statements:

- 1. Prior to March 30, the City Manager submits to the City Council a proposed operating and capital budget for the fiscal year commencing the following July 1. The operating and capital budget includes proposed expenditures and the means of financing them.
- Public hearings are conducted to obtain citizen comments.
- 3. Prior to June 30, the budget is legally enacted through passage of an Appropriations Resolution.
- 4. The Appropriations Resolution places legal restrictions on expenditures at the category level. The appropriations for each category can be revised only by the City Council. The City Manager is authorized to transfer budgeted amounts within governmental departments, however, the School Board is authorized to transfer budgeted amounts within the school system's categories.
- Formal budgetary integration is employed as a management control device during the year for the General Fund and Special Revenue Funds (except for the School Fund). The School Fund is integrated only at the level of legal adoption.
- 6. All budgets are adopted on a basis consistent with generally accepted accounting principles (GAAP).
- 7. For all City units, appropriations lapse on June 30.
- 8. All budget data presented in the accompanying financial statements is the revised budget as of June 30, 2013.

F. Encumbrances

The City utilizes encumbrance accounting in its governmental funds. Encumbrances are recognized as a valid and proper charge against a budget appropriation in the year in which a purchase order, contract, or other commitment is issued. Generally, all unencumbered appropriations lapse at year end, except those for capital projects. Appropriations for capital projects are continued until completion of applicable projects, even when projects extend more than one fiscal year. Open encumbrances at fiscal yearend are included in restricted, committed, or assigned fund balance, as appropriate.

CITY OF NORTON, VIRGINIA

NOTES TO FINANCIAL STATEMENTS

June 30, 2013

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

G. Investments

Investments, consisting of repurchase agreements and deposits in the State Treasurer's Local Government Pool are stated at cost which approximates market.

H. Property, Plant and Equipment

All property, plant and equipment are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated assets are valued at their estimated fair value on the date donated. Repairs and maintenance are recorded as expenditures; renewals and betterments are capitalized.

Depreciation for Proprietary Fund fixed assets has been provided over the following estimated useful lives using the Straight-Line Method:

| | Enterprise Water and Sewer Fund |
|-----------------------------------|---------------------------------|
| Water/Sewer System | 35 |
| Buildings | 35 |
| Improvements other than buildings | 20-35 |
| Infrastructure | 30-50 |
| Equipment | 3-18 |

I. Allowance for Uncollectible Accounts

The City calculates its allowance for uncollectible accounts using historical collection data and, in certain cases, specific account analysis. The allowance amounted to approximately \$289,891 at June 30, 2013, and is composed of the following:

General Fund:

| Allowance for uncollectible property taxes | 148,056 | |
|--|---------|------------|
| Allowance for uncollectible garbage fees | 14,357 | |
| Total General Fund | | \$ 162,413 |
| Water and Sewer Fund: Allowance for uncollectible water and sewer fee billings | 127,478 | |
| Total Water and Sewer Fund | | 127,478 |
| Total Allowance for Uncollectible Accounts | | \$ 289,891 |

J. <u>Cash Equivalents</u>

For purposes of the statement of cash flows, the Water and Sewer Fund considers all highly liquid investments (including restricted assets) with a maturity of three months or less when purchased to be cash equivalents.

June 30, 2013

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

K. Fund Equity

Fund balances, presented in the governmental fund financial statements, represent the difference between assets and liabilities reported in a governmental fund. GASB Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definition, establishes criteria for classifying fund balances into specifically defined classifications and clarifies definitions for governmental funds. The standard (implemented in 2011) has not affected the total amount reported as fund balance but has substantially changed the categories and terminology used to describe their components. GASB Statement No. 54 requires that fund balances be classified into categories based upon the type of restrictions imposed on the use of funds. The City of Norton, Virginia, evaluated its funds at June 30, 2013 and classified fund balance into the following five categories:

- Nonspendable: This classification includes amounts that cannot be spent because they are either (a) not in spendable form or (b) are legally or contractually required to be maintained intact. The City has classified Prepaid Items as being Nonspendable as these items are not expected to be converted to cash or are not expected to be converted to cash within the next year.
- <u>Restricted</u>: This classification includes amounts for which constraints have been placed on the use of the resources either (a) externally imposed by creditors (such as through a debt covenant), grantors, contributors, or laws or regulations of other governments, or (b) imposed by law through constitutional provisions or enabling legislation.
- Committed: This classification includes amounts that can be used only for specific purposes pursuant to constraints imposed by formal action of the City Council. These amounts cannot be used for any other purpose unless the City Council removes or changes the specified use by taking the same type of action (ordinance or resolution) that was employed when the funds were initially committed. This classification also includes contractual obligations to the extent that existing resources have been specifically committed for use in satisfying those contractual requirements.
- <u>Assigned</u>: This classification includes amounts that are constrained by the City's intent to be used for a specific purpose but are neither restricted nor committed. This intent can be expressed by the City Council or through the City Council delegating this responsibility to the City Manager through the budgetary process.
- <u>Unassigned:</u> This classification includes the residual fund balance for the General Fund. The Unassigned classification amounts are available for any purpose. Positive Unassigned amounts are reported in the General Fund only. The Unassigned classification also includes negative residual fund balance of any other governmental fund that cannot be eliminated by offsetting of Assigned fund balance amounts.

The City would typically use Restricted fund balances first, followed by Committed resources, and then Assigned resources, as appropriate opportunities arise, but reserves the right to selectively spend Unassigned resources first to defer the use of these other classified funds.

NOTES TO FINANCIAL STATEMENTS

June 30, 2013

2. **DEPOSITS AND INVESTMENTS**

Deposits

All cash of the City and its component units is maintained in accounts collateralized in accordance with the Virginia Security for Public Deposits Act, Section 2.2-4400 *et. seq.* of the *Code of Virginia*, or covered by federal depository insurance.

<u>Investments</u>

Investment Policy:

In accordance with the Code of Virginia and other applicable law, including regulations, the City permits investments in U. S. Treasury Securities, U. S. agency securities, prime quality commercial paper, non-negotiable certificates of deposit and time deposits of Virginia banks, negotiable certificates of deposit of domestic banks, banker's acceptances with domestic banks, Commonwealth of Virginia and Virginia Local Government Obligations, repurchase agreements collateralized by the U. S. Treasury/Agency securities, the Virginia State Non-Arbitrage Program or other authorized Arbitrage Investment Management programs, and the State Treasurer's Local Government Investment Pool (the Virginia LGIP, a 2a-7 like pool).

Concentration of Credit Risk:

Deposits and investments held by any single issuer that exceeded 5% are as follows:

| First Bank & Trust | 57% |
|--------------------|-----|
| SNAP | 27% |
| LGIP | 16% |

Custodial Credit Risk:

As required by the *Code of Virginia*, all security holdings with maturities over 30 days may not be held in safekeeping with the "counterparty" to the investment transaction. As of June 30, all of the City's investments are held in the Treasurer's office in the City's name.

The above items are reflected in the financial statements as follows:

| | | Compo | nent Units |
|--------------------------------------|--------------|-------------|---------------------|
| | Primary | | |
| | Government | School | NIDA |
| Deposits and investments: | | | |
| Cash on hand | \$ 950 | \$ - | \$ - |

| Investments | 896,268 | 1,542,403 | |
| | \$ 3,244,337 | \$2,386,361 | \$ 2,093,537 |
| Statement of net position: | | | |
| Cash and cash equivalents | \$ 1,880,948 | \$ 843,958 | \$ 2,093,537 |
| Investments | 20,491 | - | - |
| Restricted cash and cash equivalents | 1,342,898 | 1,542,403 | <u>-</u> |
| | \$ 3,244,337 | \$2,386,361 | <u>\$ 2,093,537</u> |

Restricted cash and cash equivalents consist primarily of certificates of deposit.

CITY OF NORTON, VIRGINIA

NOTES TO FINANCIAL STATEMENTS

June 30, 2013

3. **PROPERTY TAXES RECEIVABLE**

Property is assessed at its value on January 1. Property taxes attach as an enforceable lien on property as of January 1. Taxes are payable twice a year on May 15 and on October 15. The City of Norton bills and collects its own property taxes.

4. **NOTE RECEIVABLE**

Note receivable from Norton Industrial Development Authority (NIDA) in the amount of \$280,000 - loan dated February 25, 2002 with a ten year term and annual interest rate of 0% for the first two years and 1% per year, thereafter. Annual payments of \$29,563, including interest, begin February 25, 2005 with the remaining balance of \$29,271 to be paid February 25, 2014.

Details of Long-Term Indebtedness:

General Obligation Bonds:

The City refinanced an existing Water Improvement Bond Debt which was originally issued for \$1,500,000 and a Community Facility Loan on a fire truck which was originally issued for \$750,000. The total refinanced bond issue was for a total of \$1,714,008 which included bond issue cost and finance charges totaling \$79,008. The City started making payments of principal and interest October 1, 2004 and continues making payments annually October 1 of each year thereafter until the bond is paid. The actual interest rate on the total bond issue is 4.2938%. Final installment of all unpaid principal and interest shall be due and payable in 24 years on October 1, 2028.

- \$ 900,000

\$1,730,000 Public Improvement Bond, Series 2007, is payable to VML/VACo, with weighted average interest of 4.2155% over the life of the bond. The total bond issue was for \$1,803,566 which included a premium of \$73,566 and bond issue cost of \$52,954. Repayment of the principal is scheduled to begin on August 1, 2007 and continue annually until paid in full. Interest is scheduled to be paid semi-annually on August 1 and February 1 beginning with the first principal payment. The final installment of unpaid principal and interest shall be due and payable in 20 years on August 1, 2027.

1,355,000

9. CLAIMS, JUDGEMENTS AND COMPENSATED ABSENCES

PRIMARY GOVERNMENT

In accordance with GASB Statement 16 "Accounting and Financial Reporting Principals for Claims and Judgments and Compensated Absences", the City has accrued the liability arising from outstanding claims and judgments and compensated absences.

City employees earn vacation and sick leave at various rates depending upon the number of years of service. No benefits or pay is received for unused sick leave upon termination. Only 15 days of unused vacation leave can be carried over to the next fiscal year. Employees earn vacation leave according to the following schedule:

- A. .4167 days per month or 5 days each year if the employee has been with the City less than 1 year.
- B. .833 days per month or 10 days each year if the employee has been with the City for as long as 1 year but less than 10 years.
- C. 1.25 days per month or 15 days each year if the employee has been with the City for 10 years or longer.

Employees of the Department of Social Services accumulate vacation and sick leave in accordance with the Virginia Department of Social Services Personnel Manual.

At June 30, 2013, the City had outstanding accrued vacation, sick and personal leave of \$166,178 in the Governmental Activities and outstanding accrued vacation leave of \$19,228 in the Water and Sewer Fund. The City had outstanding accrued payroll taxes of \$12,712 in the Governmental Activities and \$1,471 in the Water and Sewer Fund related to the accrued leave.

COMPONENT UNIT - SCHOOL BOARD

All twelve-month classified, certified, administrative, and supervisory employees of the School Board earn twelve (12) vacation leave days per year. Such vacation leave may be accumulated to a maximum of twenty-five (25) days.

All certified and administrative employees (professional staff) of the School Board earn three (3) days of personal leave per year. Unused personal leave days may be transferred to sick leave days.

All certified and administrative employees of the School Board may earn one sick leave day per month worked each year based on the number of contracted days. (180-200 day contract = 10 days, September – June; 220 day contract = 11 days, August – June; 240-260 day contract = 12 days, July-June). Such personnel shall be able to accumulate an unlimited number of such days. Upon retirement from the Norton City Schools under the VRS, all professional, administrative and support staff (full-time employees) are eligible to receive sick leave funds as follows:

For accumulated days on June 30, 1998:

0-90 \$12.00/day 91-200 \$24.00/day

For additional days accumulated after June 30, 1998, the rate will be \$45.00/day. Most recent sick days accumulated must be used first.

At June 30, 2013, the School Board had outstanding accrued vacation, sick and personal leave of \$58,435 and \$4,470 of accrued payroll taxes related to the accrued leave.

10. FUND BALANCE - GOVERNMENTAL FUNDS

As of June 30, 2013, fund balances are composed of the following:

| | | Nonmajor Governmental | Total Governmental |
|------------------------|--------------|--------------------------|-----------------------|
| | General Fund | Funds | Funds |
| Nonspendable: | | | |
| Prepaid items | \$ — | \$ — | \$ — |
| Restricted: | | | |
| Law Enforcement | | _ | _ |
| Community Development | _ | _ | _ |
| Committed: | | | |
| Law Enforcement | | 25,301 | 25,301 |
| Parks and Recreation | _ | 2,069 | 2,069 |
| Planning & Development | _ | 305,820 | 305,820 |
| Assigned: | | | |
| Law Enforcement | 49,949 | _ | 49,949 |
| Fire Department | 18,580 | | 18,580 |
| Public Works-Streets | 357,554 | _ | 357,554 |
| Planning & Development | 5,184 | _ | 5,184 |
| Unassigned | 1,250,314 | (124,907) | 1,125,407 |
| Total fund balances | \$1,681,581 | \$ 208,283 | \$ 1,889,864 |

When an expenditure is incurred for purposes for which both restricted and unrestricted fund balances are available, the City considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned or unassigned fund balances are available, the City considers amounts to have been spent first out of committed funds, then assigned funds, and finally unassigned funds, as needed, unless City Council has provided otherwise in its commitments or assignment actions.

NOTES TO FINANCIAL STATEMENTS

June 30, 2013

11. **DEFINED BENEFIT PENSION PLAN**

A. Plan Description

Name of Plan: City of Norton, Virginia, Virginia Retirement System (VRS)

Identification of Plan: Agent and Cost-Sharing Multiple-Employer Defined Benefit

Pension Plan

Administering Entity: Virginia Retirement System (System)

All full-time, salaried permanent (professional) employees of public school divisions and employees of participating employers are automatically covered by VRS upon employment. Benefits vest after five years of service credit. Members earn one month of service credit for each month they are employed and their employer is paying into the VRS. Members are eligible to purchase prior public service, active duty military service, certain periods of leave and previously refunded VRS service as credit in their plan.

VRS administers two defined benefit plans for local government employees - Plan 1 and Plan 2:

- Members hired before July 1, 2010 and who are vested as of January 1, 2013 are covered under Plan 1. Non-hazardous duty members are eligible for an unreduced retirement benefit beginning at age 65 with at least 5 years of service credit or age 50 with at least 30 years of service credit. They may retire with a reduced benefit as early as age 55 with at least 5 years of service credit or age 50 with at least 10 years of service credit.
- Members hired or rehired on or after July 1, 2010 and Plan 1 members who were not vested on January 1, 2013 are covered under Plan 2. Non-hazardous duty members are eligible for an unreduced benefit beginning at their normal Social Security retirement age with at least five years of service credit or when the sum of their age and service equals 90. They may retire with a reduced benefit as early as age 60 with at least five years of service credit.
- Eligible hazardous duty members in Plan 1 and Plan 2 are eligible for an unreduced benefit beginning at age 60 with at least 5 years of service credit or age 50 with at least 25 years of service credit. These members include sheriffs, deputy sheriffs and hazardous duty employees of political subdivisions that have elected to provide enhanced coverage for hazardous duty service. They may retire with a reduced benefit as early as age 50 with at least five years of service credit. All other provisions of the member's plan apply.

The VRS Basic Benefit is a lifetime monthly benefit based on a retirement multiplier as a percentage of the member's average final compensation multiplied by the member's total service credit. Under Plan 1, average final compensation is the average of the member's 36 consecutive months of highest compensation. Under Plan 2 average final compensation is the average of the member's 60 consecutive months of highest compensation. The retirement multiplier for non-hazardous duty members is 1.70%. The retirement multiplier for sheriffs and regional jail superintendents is 1.85%. The retirement multiplier for eligible political subdivision hazardous duty employees other than sheriffs and jail superintendents is 1.70% or 1.85% as elected by the employer. The multiplier for plan 2 members was reduced to 1.65% effective January 1, 2013 unless they are hazardous duty employees and their employer has elected the enhanced retirement multiplier. At retirement, members can elect the Basic Benefit, the Survivor Option, a Partial Lump-Sum Option Payment (PLOP) or the Advance Pension Option. A retirement reduction factor is applied to the Basic Benefit amount for member electing the Survivor Option, PLOP or Advanced Pension Option or those retiring with a reduced benefit.

Retirees are eligible for an annual cost-of-living adjustment (COLA) effective July 1 of the second calendar year of retirement. Under Plan 1, the COLA cannot exceed 5.00%; under Plan 2, the COLA cannot exceed 6.00%. During years of no inflation or deflation, the COLA is 0.00%. The VRS also provides death and disability benefits. Title 51.1 of the Code of Virginia (1950), as amended, assigns the authority to establish and amend benefit provisions to the General Assembly of Virginia.

The System issues a publicly available comprehensive annual report that includes financial statements and required supplementary information for VRS. A copy of the report may be obtained from the VRS Web site at http://www.varetire.org/Pdf/Publication/2012-annual-report.pdf or by writing to the System's Chief Financial Officer at P.O. Box 2500, Richmond, VA 23218-2500.

11. DEFINED BENEFIT PENSION PLAN(Continued)

B. Funding Policy

Plan members are required by Title 51.1 of the Code of Virginia (1950), as amended, to contribute 5% of their compensation toward their retirement. All or part of the 5% member contribution may be assumed by the employer. Beginning July 1, 2012, new employees were required to pay the 5% member contribution. In addition, for existing employees, employers were required to begin making the employee pay the 5% member contribution. This could be phased in over a period up to 5 years and the employer is required to provide a salary increase equal to the amount of the increase in the employee-paid member contribution. In addition, the City and School Board are required to contribute the remaining amounts necessary to fund participation in the VRS using the actuarial basis specified by the Code of Virginia and approved by the VRS Board of Trustees. The City contribution rate for the fiscal year ended 2013 was 12.23% of annual covered payroll for the City's government employees and 3.84% for City of Norton School Board non-professional employees.

The public school divisions professional employees contribution rate for fiscal 2013 was 11.66% of covered payroll for year ended 2013. This amount represents 100% of the current year contribution. The amounts related to the previous three years are as follows:

| | Required | Percentage | | |
|---------------------|--------------|------------|--|--|
| <u>Professional</u> | Contribution | Made | | |
| 2013 | \$ 425,312 | 100% | | |
| 2012 | 437,848 | 100 | | |
| 2011 | 352,060 | 100 | | |

The required contribution for the year ended June 30, 2013 for the non-professional employees of the City of Norton Schools was \$12,974. This amount represented 100% of the current year contribution. The amounts related to the previous three years are as follows:

| | Required | Percentage |
|------------------|--------------|------------|
| Non-Professional | Contribution | Made |
| 2013 | \$ 9,552 | 100.0% |
| 2012 | 12,974 | 100.0 |
| 2011 | 12,864 | 100.0 |

C. Annual Pension Cost

For fiscal year 2013, the City's annual pension cost of \$374,267 was equal to the City's required and actual contributions. The FY 2013 required contributions were determined as part of the June 30, 2011 actuarial valuation using the entry age normal actuarial cost method. In fiscal year 2013, the City School Board's annual pension cost for the Board's non-professional employees was \$9,552 which was equal to Board's required and actuarial contributions. The required contributions were determined as part of the June 30, 2011 actuarial valuation using the entry age normal actuarial cost method. The actuarial assumptions as of June 30, 2011 included (a) 7.00% investment rate of return, (net of administrative expenses) (b) projected salary increases of ranging from 3.75% to 5.60% per year for general government employees, 3.75% to 6.2% per year for teachers and 3.50% to 4.75% for employees eligible for enhanced benefits available to law enforcement officers, firefighters and sheriffs and (c) 2.50% per year for Plan 1 employees and 2.25% for plan 2 employees. Both the investment rate of return and the projected salary increases include an inflation component of 2.50%. The actuarial value of the City of Norton's assets is equal to the modified market value of assets. This method uses techniques that smooth the effects of short-term volatility in the market value of assets over a five-year period. City of Norton's unfunded actuarial accrued liability is being amortized as a level percentage of projected payrolls on an open basis. The remaining amortization period at June 30, 2011 for the Unfunded Actuarial Accrued Liability (UAAL) was 20 years.

11. DEFINED BENEFIT PENSION PLAN (Continued)

C. Annual Pension Cost(Continued)

| | Trend Information for City of Norton | | | | | | |
|-------|--------------------------------------|---------------------------|----------------------------------|------------------------|--|--|--|
| | Fiscal Year <u>Ending</u> | Annual Pension Cost (APC) | Percentage of APC Contributed | Net Pension Obligation | | | |
| City: | 6/30/13 | \$ 374,267 | 100% | \$ - | | | |
| | 6/30/12 | 417,409 | 100 | - | | | |
| | 6/30/11 | 428,371 | 100 | - | | | |

D. Funding Status and Funding Progress

As of June 30, 2012, the most recent actuarial valuation date the plan was 79.12% funded for the City and was 98.25% funded for the School Board non-professional employees. The City's actuarial accrued liability for benefits was \$14,655,168 and the actuarial value of assets was \$11,594,955, resulting in an unfunded actuarial accrued liability (UAAL) of \$3,060,213. The covered payroll (annual payroll of active employees covered by the plan) was \$3,080,986 and the ratio of the UAAL to the covered payroll was 99.33%. The School Board's Non-Professional Employee's actuarial accrued liability for benefits was \$1,754,123 and the actuarial value of assets was \$1,723,449, resulting in an unfunded actuarial accrued liability (UAAL) of \$30,674. The covered payroll (annual payroll of active employees covered by the plan) was \$261,728 and the ratio of the UAAL to the covered payroll was \$1.72%.

Schedule of Funding for the City and School Board:

| | Fiscal Year Ending | Actuarial Value of Assets (AVA) | Actuarial Accrued Liability (AAL) | ed Accrued ility Liability | | Annual Covered <u>Payroll</u> | UAAL as % of Payroll (4)/(6) |

12. OTHER POST-EMPLOYMENT BENEFITS

The Governmental Accounting Standards Board (GASB) has issued its Statement No. 45, Accounting and Financial Reporting by Employers for Postretirement Benefit Plans Other Than Pensions. The Statement establishes standards for the measurement, recognition, and display of other post-employment benefits (OPEB) expense and related liabilities in the financial statements. The cost of post-employment healthcare benefits should be associated with the period in which the cost occurs, rather than in the future years when it will be paid. The City adopted the requirements of GASB Statement No. 45 during the year ended June 30, 2010. Recognition of the liability accumulated from prior years will be phased in over 30 years commencing with the 2010 liability.

The City meets the requirements to use the alternative measurement method and elects to use the alternative measurement method.

Annual Other Post-Employment Benefit Cost and Net OPEB Obligation

For the fiscal year ended June 30, 2013, the City's annual OPEB costs of \$215,725 for governmental activities and \$17,375 for business-type activities, respectively, were equal to the Annual Required Contribution (ARC).

| | Governmental Activities | | Business-type Activities | | School Board |
|--|----------------------------|---------|--------------------------|----|-----------------|
| Annual required contribution | \$ | 93,873 | \$ 17,880 | \$ | 174,311 |
| Interest on net OPEB obligation | | 6,076 | 1,157 | | 3,359 |
| Adjustment to annual required contribution | | (8,732) | (1,663) | | (14,362) |
| Annual OPEB cost | | 91,217 | 17,375 | | 163,308 |
| Contributions made | | - | _ | | (38,800) |
| Increase in net OPEB obligation | | 91,217 | 17,375 | | 124,508 |
| Net OPEB obligation-beginning of year | | 237,255 | 52,080 | | 447,837 |
| Net OPEB obligation-end of year | \$ | 328,472 | \$ 69,455 | \$ | 572,345 |

Plan Description

The City provides post-employment medical coverage for retired employees through a single-employer defined benefit plan. The City may change, add or delete coverage as they deem appropriate and with the approval of the City Council. The plan does not grant retirees vested health benefits.

A retiree, eligible for post-retirement medical coverage, is defined as a full-time employee who retires directly from the City and is eligible to receive an early or regular retirement benefit from the VRS. Employees applying for early or regular retirement are eligible to continue participation in the Retiree Health Plans sponsored by the City. Employees at the City are allowed to stay on the plan until death of the employee or eligibility for Medicare coverage. The employee pays 100% for spouse or dependent health care insurance premiums.

NOTES TO FINANCIAL STATEMENTS

12. OTHER POST-EMPLOYMENT BENEFITS (Continued)

Funding Status and Funding Progress

The funding status of the plan as of June 30, 2013 was as follows:

| Actuarial Accrued Liability (AAL) Actuarial Value of Plan Assets | | Activities | Business-type Activities | | | ool rd |
|---|--|-----------------|--------------------------|---------------|--|----------------------|
| | | 756,496 - | \$ | 144,095 | | 1,825,884 188,072 |
| Unfunded Actuarial Accrued Liability (UAAL) | | 756,496 | | 144,095 | | 1,637,812 |
| Funded Ratio (Actuarial Value of Plan Assets/AAL) Covered Payroll (Active Plan Members) | | 0% 2,923,487 | | 0% 556,855 | | 10.30% 2,831,769 |
| UAAL as a Percentage of Covered Payroll | | 25.88% | | 25.88% | | 57.84% |

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and healthcare cost trends. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

Actuarial Methods and Assumptions

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the type of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

The entry age normal cost method was used to determine liabilities under the alternative measurement method. Under this method, future benefits are projected and the present value of such benefits is allocated from date of hire to date of eligibility. Active employees are assumed to retire at age 62 which is the historical average age of retirement for employees of the City. Active employees age 62 or older who have qualified postemployment benefits under the plan are assumed to retire in the first projected year. A healthcare plan that includes both retirees and active employees contains a blended rate. The rate used in the calculation is the age-adjusted premium less the contribution from the retiree or blended premium. The actuarial assumptions for the City included: inflation at 2.5% and an investment rate of return of 0.0%. The expected rate of increase in healthcare insurance premiums is based on the Getzen model promulgated by Society of Actuaries. Using the level percent of payroll method, the payroll growth rate has been set to the inflation rate. Life expectancies at the calculation date are based on the most recent mortality tables published by the National Center for Health Statistics. The 2004 United States Life Tables for Males and the United States Life Tables for Females were used. Life expectancies that include partial years were rounded to the nearest whole year. The calculation of postemployment health insurance coverage for each year is based on the assumption that all participants will live until their expected age as displayed in the mortality tables. The probability that an employee will remain employed until the assumed retirement age was determined using nongroup specific age-based turnover data provided in Table 1 in paragraph 35b of GASB Statement 45. The City currently funds post-employment health care benefits on a pay-as-you-go basis. During fiscal year 2013, the City had not designated any funding for the OPEB liability.

NOTES TO FINANCIAL STATEMENTS

June 30, 2013

13. **DEFERRED REVENUE**

Deferred revenue represents amounts for which asset recognition criteria have been met, but for which revenue recognition criteria have not been met. Under the modified accrual basis of accounting, such amounts are measurable, but not available. Deferred revenue totaling \$1,016,667 is comprised of the following:

Deferred Property Tax Revenue:

Deferred revenue representing uncollected tax billings not available for funding of current expenditures totaled \$1,016,667 at June 30, 2013.

14. COMMITMENTS AND CONTINGENCIES

Litigation

In regard to litigation involving the City of Norton, Virginia, there are several matters under defense of the City's insurer believed to involve potential civil liability. At this time no specific valuation has been determined in regard to these matters.

15. **SURETY BONDS**

| ٨ | | _ | | | 4 |

The coverage in respect to the Treasurer of the City does not apply to pecuniary loss sustained by the City by reason or in consequence of the failure of the Treasurer to faithfully and fully discharge according to law the duties pertaining to said position.

NOTES TO FINANCIAL STATEMENTS

June 30, 2013

16. **LEASE OBLIGATION**

The City of Norton has two capital leases outstanding at June 30, 2013.

The City leases a 2011 International truck from Zions First National Bank. The lease was entered into on November 29, 2010 and extends to June 20, 2015. The lease calls for yearly payments of \$25,979 with the first payment beginning on June 20, 2011.

A summary of the present value of future minimum lease payments, net of interest, is as follows:

| June 30, 2014 | \$ 23,750 |
|---------------|------------------|
| June 30, 2015 | 24,839 |
| Total | <u>\$ 48,589</u> |

The City leases a 2012 Street Sweeper from BB&T. The lease was entered into on February 1, 2012 and extends to February 1, 2017. The lease calls for yearly payments of \$30,195 with the first payment beginning on February 1, 2012.

A summary of the present value of future minimum lease payments, net of interest, is as follows:

| June 30, 2014 | \$ 27,281 |
|---------------|-----------|
| June 30, 2015 | 27,982 |
| June 30, 2016 | 28,702 |
| June 30, 2017 | 29,438 |
| Total | \$113,403 |

The City of Norton School Division has one capital lease outstanding at June 30, 2013.

The School Board entered into a master equipment lease, in the amount of \$567,956, for energy efficient equipment. The lease was entered into on June 25, 2013 and extends to November 20, 2020. The lease calls for quarterly payments in various amounts with the first payment beginning on November 20, 2013.

A summary of the present value of future minimum lease payments, net of interest, is as follows:

| June 30, 2014 | \$ | 50,222 |
|---------------|-----------|---------|
| June 30, 2015 | | 65,601 |
| June 30, 2016 | | 74,238 |
| June 30, 2017 | | 81,187 |
| June 30, 2018 | | 86,053 |
| June 30, 2019 | | 91,127 |
| June 30, 2020 | | 96,420 |
| June 30, 2021 | <u>_</u> | 23,108 |
| Total | <u>\$</u> | 567,956 |

17. ENCUMBRANCES OUTSTANDING

Outstanding encumbrances of the proprietary fund types are not reflected in the accompanying financial statements as a reservation of retained earnings, in keeping with the fund type's measurement focus. However, encumbrances accounting is employed as an extension of formal budgetary integration for the City's governmental type funds. At June 30, 2013, certain amounts which were restricted, committed, or assigned for specific purposes have been encumbered in the governmental funds. Encumbrances included in governmental fund balances as follows:

PRIMARY GOVERNMENT

Encumbrances Included In:

| | Ft | ricted and ance | Comn Fui Bala | nd . | Assigned Fund Balance |
|--|----|-----------------------|---------------------|----------|-----------------------------|
| General Fund for Capital Assets General Fund for Other Purposes | \$ | - | \$ | <u>-</u> | \$ 413,583 17,684 |
| Total Encumbrances | \$ | | \$ | <u>-</u> | \$ 431,267 |

COMPONENT UNIT-SCHOOL BOARD

Encumbrances Included In:

| | Restricted | Committed | Assigned |
|--------------------------------|--------------|-----------|----------|
| | Fund | Fund | Fund |
| | Balance | Balance | Balance |
| School Fund for Capital Assets | \$ 2,164,411 | \$ - | \$ - |
| School Fund for Other Purposes | 1,947 | | |
| Total Encumbrances | \$ 2,166,358 | \$ - | \$ - |

NOTES TO FINANCIAL STATEMENTS

June 30, 2013

18. **RISK MANAGEMENT**

The City maintains general liability, auto and workers' compensation insurance coverage through the Virginia Municipal Liability Pool. Other insurance coverage (including fire, equipment, police liability, public officials liability and workers' compensation and accidental death on volunteer fireman) is maintained through commercial insurance companies.

19. PRIOR PERIOD ADJUSTMENT

A prior period adjustment, in the amount of \$5,475 was made to the Water and Sewer Fund and \$37,631 to the General Operating Fund to record the adoption of GASB Statement 65, "Items Previously Reported as Assets and Liabilities".

20. SUBSEQUENT EVENTS

On September 5, 2013, the City issued \$826,400 General Obligation and Water and Sewer Revenue Bond, Series 2013 thru Virginia Resources Authority as administrator of the Virginia Water Supply Revolving Fund for the System-wide Water System Improvements Project Phase I. Principal and interest is due semi-annually beginning approximately six months after issuance date at a rate not to exceed 3.0% and the bond is payable in full by the end of thirty years.

21. CHANGE IN ACCOUNTING POLICY

The City implemented Governmental Accounting Standards Board (GASB) Statement No. 63, "Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position." GASB Statement No. 63 identifies net position, rather than net assets, as the residual of all other elements presented in the statement of financial position. This change was incorporated in the City's financial statements; however, there was no effect on beginning net position.

The City has decided to early implement Governmental Accounting Standards Board (GASB) Statement No. 65, "Items Previously Reported as Assets and Liabilities" which is effective for periods beginning after December 15, 2012. A prior period adjustment was made to account for the effects of this new standard.

| Amounts reported for governmental activities in the statement | |
|--|--------------|
| of net assets are different because: | |
| Governmental fund report capital outlays as expenditures. However, in the | |
| statement of activities the cost of these assets is allocated over their estimated | |
| useful lives and reported as depreciation expense. This is the amount by which | |
| capital outlays exceeded depreciation. | 8,051,090 |
| Revenues in the statement of activities that do not provide current financial | |
| resources are not reported as revenue in governmental funds. | - |
| Repayment of Bond principal is an expenditure in the governmental funds, but | |
| the payment reduces long-term liabilities in the statement of net assets. Proceeds | |
| of debt is an income item in governmental funds but the receipt of proceeds | |
| increases long-term liabilities. This is the amount principal payments exceeded | |
| new debt proceeds. | (10,794,135) |

Some expenses reported in the statement of activities, such as compensated absences and accrued interest, do not require the use of current financial resources and therefore are not required as expenditures in governmental funds.

STATISTICAL SECTION

The information in this section is not covered by the Independent Auditor's Report, but is presented as supplemental data for the benefit of the readers of the comprehensive annual financial report. The objectives of statistical section information are to provide financial statement users with additional historical perspective, context, and detail to assist in using the information in the financial statements, notes to financial statements, and required supplementary information to understand and assess a government's economic condition.

| CONTENTS | PAGE |
|---|------|
| FINANCIAL TRENDS | 70 |
| These schedules contain trend information to help the reader understand how the City's financial performance and well-being have changed over time. | |
| REVENUE CAPACITY | 75 |
| These schedules contain trend information to help the reader assess the City's most significant local revenue source, the property tax. | |
| DEBT CAPACITY | 78 |
| These schedules present information to help the reader assess the affordability of the City's current levels of outstanding debt and the City's ability to issue additional debt in the future. | |
| ECONOMIC AND DEMOGRAPHIC INFORMATION | 81 |
| These schedules offer economic and demographic indicators to help the reader understand the Environment within which the city's financial activities take place. | |
| OPERATING INFORMATION | 83 |
| These schedules contain service and infrastructure data to help the reader understand how the | |
| information in the City's financial report relates to the services the City provides and the activities it performs. | |

Sources: Unless otherwise noted, the information in these schedules is derived from the comprehensive annual financial reports for the relevant year.
